Navigating Brightspace for the CHMA 1000 Self-Assessment

Step 1: Login to Brightspace

To access Brightspace, head to the Dalhousie website (dal.ca) and click on the Brightspace icon in the top right corner of your screen.

On the Brightspace login page enter your NetID and password (the same login used for your Dalhousie email – If you have not set up your Dal email you will need to do this first).

Step 2: Finding the Self-Assessment Test

Once you have logged onto Brightspace, select “Academic Support” on the right hand side of the page to access a drop down menu. In the menu, click on “Self Registration”.

Page 1 of 6
Step 3: Self-Registration for the Chemistry Self-Assessment

After selecting the “Self Registration” you will be taken to the Self Registration Course Offerings Page. Next click on “Self-Assessment Tools for CHMA 1000 – 2017 Summer”
Step 3: Self-Registration

To access your test, you will need to select the “Register” which will take you to the testing page.

Step 4: Self-Registration

Enter your first name, last name, and dal email address into the blank fields. Click “Submit” when finished. Next you will be taken to a confirmation page. Ensure that your information is correct and click “Finish”.
Step 5: Click the “Go to course offering Self-Assessment Tool for CHMA 1000 – 2017 Summer” to access the test home page.

Step 6: Entering the Self-Assessment Page

Click on “Content” to access important information about the Self-Assessment Quiz and to access the quiz itself.
Step 7: CHMA 1000 Self-Assessment Course Page

On this page documents such as the “Periodic Table Resource Sheet” and “Significant Figure Rules” can be found, and will be needed for the quiz. Click on “The Quiz” to be taken to the quiz summary page.
**Step 8: Beginning the Test**

Make sure to read the important instructions about the quiz given on the screen. To begin your test, you will need to click on the “Start Quiz!” button at the bottom left corner of the screen. You will be given an unlimited amount of time to complete the test, however you will only be given one attempt to finish the test. When finished, click “submit test”. Your quiz score will be revealed upon completion.

---

**Information about CHMA 50 (preparatory course)**

- If you score below **13/25** it is recommended that you take the CHMA 0050 Preparatory Chemistry course
- CHMA 0050 is offered in both the summer and winter semesters. The summer session is an online course, while the winter offering is in-class. To stay on track with your program, it may be advisable to take the CHMA 0050 course in the summer.
- To register for CHMA 0500 contact the Registrar’s office at enrolment.services@dal.ca.
