Hello All;

1. Current Project Status
Concrete foundations have started.

2. Parking and Site Activity
Construction of new buildings always brings increased traffic in and around the construction site. During the past few weeks the Dalplex parking lot has experienced some temporary early morning parking space closures. This has been to allow large truck deliveries to enter the site from Dalplex lot. The contractor is aware of the disruption this causes and is planning to deliver as much as possible on smaller trucks (less disruptive to parking) but occasionally larger components make larger trucks necessary. We appreciate the patience and understanding of those who are inconvenienced.

3. November and Onwards
The month of October has been a busy time for the project. A lot of behind the scenes work was occurring and mobilization of tower crane on site is complete. Winter months are never great for construction but the majority of concrete is expected to be complete before the end of winter.

4. Other
Please feel free to share this notice with anyone you feel may find it of interest. This notice will be added to the project website (fm.dal.ca and click link to Campus Development).

For any concerns or questions during business hours (8:30 a.m. – 4:30 p.m.) please contact either:

Peter Coutts, AVP Capital Construction, at 902-494-4451 or Peter.coutts@Dal.ca
Karen Cairney, Manager of Community Relations, at 902-494-2786 or karen.cairney@dal.ca
After hours contact for concerns about the construction sites – Dalhousie Security 902- 494-6400. This number is staffed 24/7, all calls are recorded.
