Fitness Centre - Construction Update No. 2017-04 May 16, 2017

Hello All;

1. Current Project Status

Level 1 concrete slab on grade is finished. Level 2 concrete slabs 2A and 2B are complete (west end of building). Level 2C was scheduled for Friday, May 12 and will be placed when weather permits. Slab 2D (east end of building) will occur within the next 3 - 4 weeks. The steam tunnel connecting the new facility to the existing steam distribution tunnel is proceeding at the east end of the site, close to Stairs House. Masonry walls have begun on Level 1.

2. Paving and Rock Breaking

The Fitness Centre sanitary and storm sewers connection to the existing Dalplex storm and sanitary lines is complete, except for paving. Dalplex parking lot pavement reinstatement will occur this week. The storm sewer lines will progress around the Fitness Centre, within the construction fencing. This may involve additional rock breaking.

3. Upcoming Activity

One of the next trades to arrive on site will be the structural steel crew. Steel will be erected beginning on the west end of the building working eastward. Once steel is complete in July the shape of the facility will become evident. Structural steel erection will create noise disruption and occasional traffic disruption during deliveries. The impact guns, used to torque the bolts will create noise. Deliveries will be scheduled at times that create the least disruption. The first delivery is expected on Tuesday, May 23.

4. Other

Please feel free to share this notice with anyone you feel may find it of interest. This notice will be added to the project website (https://www.dal.ca/dept/facilities/campus-development/projects/fitness-recreation-dalplex-project.html) If you would like to be removed from the distribution please contact the sender.

For any concerns or questions during business hours (8:30 a.m. – 4:30 p.m.) please contact either:
Peter Coutts, AVP Capital Construction, at 902-494-4451 or Peter.coutts@Dal.ca
Karen Cairney, Manager of Community Relations, at 902-494-2786 or karen.cairney@dal.ca

After hours contact for concerns about the construction sites – Dalhousie Security 902- 494-6400. This number is staffed 24/7, all calls are recorded.
