Proposed New Fitness Centre:
Pre-Design Consultation Session
Fitness Centre Consultation

Dalhousie University is beginning the design phase of a new fitness centre

On April 15, 2014, Dalhousie’s Board of Governors approved starting design on a new 58,000 gsf facility on the Eliza Ritchie Hall site

Dalhousie is now seeking input from the community on design elements
South Street Site Location

- Eliza Ritchie Hall
- Building footprint remains largely undetermined at this time
Proposed Features

- Cardio training areas – 6,000 sf
- Strength training areas – 12,000 sf
- Increased court space – renewed Dalplex fieldhouse floor
- Group fitness areas – 5,000 sf
- Change rooms – 9,000 sf
- Lobby and customer service areas – 3,000 sf
- TOTAL BUILDING AREA – 58,000 gsf
Proposed Project Timeline

- **Spring 2014**: Public Consultation
- **Summer 2014**: Design
- **Fall 2014**: Public Consultation
- **Winter 2015**: Public Consultation
- **Spring 2015**: Construction Documents
- **Summer 2015**: Public Consultation
- **Fall 2015**: Start Construction
- **Winter 2016**: Construction complete in 2017
- **Spring 2016**: Public dialogue as required during construction phase
- **Summer 2016**
Comments on Design

We are soliciting input on, for example:

- Access
- Building height
- Parking
- Landscaping
- Façade
