

# ADELE CLAYTON TAKES PRIDE IN HER WORK

“Our office moved out of O’Brien Hall last week where we had been temporarily located for almost a year. Adele Clayton (known to us as “Margo”) looked after us in O’Brien. Margo always greeted us with a smile and was more than willing to do anything we asked of her. I have never worked in such a clean location at Dalhousie (I have been at Dal for 22 years). Margo genuinely seems to enjoy her work – even humming as she mops the floors – and certainly took pride in keeping our workplace as clean as she would keep her own home. Dalhousie is very fortunate to have such a dedicated employee. We will miss her in our new location.”
