2016 WASTE SOLVENTS AND SCINTILLATION FLUID COLLECTION

Please refer to the “Procedures for Chemical Waste Disposal” in preparing you chemical waste for collection. If you have questions regarding these procedures, please contact Katie Reid, Hazardous Waste Technician, katie.reid@dal.ca, (902) 494-2906

For hazardous waste chemicals, a “Chemical Lab Pack Disposal Form” must be completed and approved before materials will be accepted. EHS staff will inform you if your submission CANNOT be included in the university's hazardous waste disposal program.

If your building is NOT on the list below, you MUST CALL Katie Reid to arrange for pick-up of waste solvents and scintillation fluids.

Please post or circulate this notice to those persons responsible for preparing wastes for collection noting:

- Trucking arrives as close as possible to the times indicated.
- Occasionally there are delays from pick-up destinations prior to your stop, please be patient.
- DO NOT LEAVE YOUR WASTES UNATTENDED!

Please have your wastes ready for collection at the locations below for the following scheduled times:

- Depart from Chemical Storage Facility: 9:00 am
- Dentistry/Burbidge Building loading dock: 9:30 am
- Tupper Building loading dock: 9:45 am
- Sexton Campus: 10:20 am
- Biology loading dock: 11:00 am
  • includes Earth Sciences, Oceanography, Psychology
- Dunn Building: 11:30 am
- Chemistry Building loading dock: 11:45 am
