RADIATION SAFETY TRAINING SESSION REGISTRATION FORM

The following radiation safety training sessions have been scheduled for 2017. Sessions run from 8:45 am to 4:00 pm, and will take place in the Biochemistry teaching lab on the 8th floor of the Tupper building.

It is a Dalhousie University policy that all those who will be handling radioactive materials must participate in the first available training session after joining their respective research groups.

There is no fee associated with this course. Users are expected to read the Radiation Safety Training manual located in the radiation safety training area on safety.dal.ca.

Please complete the form below and return it to the Radiation Safety Office no later than one week prior to the session you plan to attend.

Fax: 902-423-5242
Email: jrobertson@dal.ca
Interoffice mail: Safety Office, 1391 Seymour St

Please register me for the following session:
