DALHOUSIE LIBRARIES – DOCUMENT DELIVERY POLICIES

The Document Delivery Service supports the teaching, learning and research needs of Dalhousie faculty, students, staff and affiliated groups by obtaining materials, not held at a Dalhousie Library, from an external library or document supplier and by advising requesters how to access requested material if it is found to be held by Dalhousie Libraries. Every effort is made to fulfill requests however requests may be cancelled due to lack of lending locations, excessive costs or availability of alternative material.
