

MEMORANDUM

Re: Dean of Management search

As you are likely aware, we have embarked on a search process to seek a new Dean of the Faculty of Management. A search committee is being finalized and we are currently engaging Dalhousie colleagues and other stakeholders in consultations regarding the experience and competencies the new Dean should possess. The information gathered through the consultation process will be used by the search committee to help inform candidate recruitment, assessment, selection, and highlight areas requiring the attention of the new Dean.

It is in this spirit that we invite you to complete this [confidential electronic survey](#). The survey is anonymous and should take less than 10 minutes to complete. While you will be asked to identify your stakeholder group, individual responses will be anonymous, and all comments will be treated as confidential by the committee. The survey will be open until end of day on October 27, 2023.

Finally, you may also provide confidential input into the search at any time by contacting Laura Godsoe or Emma Spence Wach in HR at exec.search@dal.ca or 902-800-1729.

Thank you very much for your contribution to this important process.

Sincerely,

Frank Harvey
Provost and Vice-President Academic
