RE: Provincial Attestation Letter (PAL) Exception

To Whom It May Concern,

As part of my **study permit application**, I'm writing to affirm that I meet IRCC's requirements for a Provincial Letter of Attestation (PAL) exception.

[According to guidelines published by IRCC](#), applicants who are admitted into a master's or doctoral degree program at a public Designated Learning Institution (DLI) do not require a Provincial Attestation Letter (PAL).

As you will see from the included admission letter from Dalhousie University (DLI #O19209939282), I have been admitted to a master's / doctoral **[CHOOSE ONE & DELETE THE OTHER]** degree program that is scheduled to begin in **[month, year]**.

On this basis, I believe that I meet IRCC's requirements for a PAL exception. If you require additional information to support this assessment, please let me know.

Sincerely,

(insert your full name)
