

OUTSTANDING THESIS AWARD

The Faculty of Agriculture Outstanding Thesis Award recognize MSc and PhD students whose thesis research represent original works that have made substantial contributions to their discipline. A maximum of one award will be presented annually in each of the MSc and PhD categories:

- **MSc Thesis Award:** This award recognizes a MSc in Agriculture student who has written an outstanding MSc thesis and whose thesis has made, or is expected to make, a significant contribution to their field. The recipient will receive a monetary award and recognition certificate.
- **PhD Thesis Award:** This award recognizes a PhD in Agricultural Sciences student who has written an outstanding PhD thesis that represents a highly significant contribution to their field of research. The recipient will receive a monetary award and a recognition certificate.

ELIGIBILITY

- Successful completion of all requirements for the MSc in Agriculture or PhD in Agricultural Sciences program.
- Submission of approved thesis to the Faculty of Graduate studies no more than 18 months prior to the Outstanding Thesis Award Application deadline.
- No academic offenses on their record.

DOCUMENTATION TO ACCOMPANY YOUR APPLICATION

Applicants are to submit to the Faculty of Agriculture Graduate Studies Office by email (gradagri@dal.ca) the following:

- A completed Outstanding Thesis Award application form (bellow).
- A curriculum vitae (2 pages maximum), emphasizing scholarly contributions (e.g. peer-reviewed publications, invited talks) and research awards or recognitions.
- A PDF copy of the MSc or PhD thesis as approved by the Faculty of Graduate Studies, i.e. with signatures.
- PDF copies of peer-reviewed publications derived from the thesis.

You are to arrange for the following to be submitted to the Faculty of Agriculture Graduate Studies Office by email (gradagri@dal.ca):

- Two letters of reference, one of which must be from the primary thesis advisor. Letters should emphasize:
 - the originality of the research
 - the impact of the research, whether to the scholarly discipline, stakeholders, policy makers, or society at large
 - the student's independence and leadership in conceiving, conducting, and completing the research
